HIGH-GROWTH INNOVATION MARKET OPPORTUNITY

Idaho's ideas are fueling the world's economy, providing opportunities for foreign investors in the areas of technology, research and education in the leading US state for patents per capita. By creating Idaho jobs, you'll optimize your EB-5 investments to help redefine the future for the frontier and your family.

Through Invest Idaho, foreign investors have the opportunity to:

- ★ • Conduct and/or expand their business in the United States
- ★ • Educate themselves or their children
- ★ • Diversify their investment portfolios
- ★ • Manage their investments in the Regional Center
- ★ • Reside in the United States and become U.S. citizens

Did you know...

Idaho ranks 1st in the US in patents issued per capita, and 8th in Entrepreneurial Activity and Innovation Capacity.
