# ONE WORLD GOVERNMENT

---

## The New World Order Moral Map

Many of you reading this article may already know that President Nixon, on March 27, 1969, through the Government Reorganization Act divided the United States into 10 Regions. To further implement this Regional Governance over the U.S.A., President Nixon signed Executive Order 11647 and entered it in the Federal Register February 12, 1972. (Vol. 37, No.30) Through the authority vested in him as President of the United States, President Nixon established a Federal Regional Council for each of the 10 standard regions. It stated that, the President shall designate one member of each Council as Chairman of the Council and such Chairman shall serve at the pleasure of the President. The fact that State borders have been destroyed to create 10 REGIONS instead of 50 Union States is something your government doesn't want you to know.

There is no constitutional jurisdiction for the federal government to legislate for a municipal government in a Union State. The usurpation of state jurisdiction can only be achieved by conspiracy and fraud on the part of our duly elected public servants. It stands to reason that if there is no constitutional jurisdiction for the federal government to legislate for a municipal government in a Union state, there is also no jurisdiction for a federal bureaucracy to legislate for a municipal government in a Union state. As example: the EPA, the DEA, the IRS and the FBI, etc., have no Constitutional authority to legislate in a Union State These are agencies of the Federal government, having jurisdiction only on federal territory. This is something your government doesn't want you to know.

Demeaning the authority of elected officials and replacement of these officials by appointed Federal "administrators" is a clear and present danger to representative government posed by Federal Regional Government. Outlawed by the Supreme Court decision of January 13, 1982 (Case #80-1350, "Community Communications Co, Inc v City of Boulder, CO) the ten regional capitols were dismantled by President Reagan's Executive Order #12407 on February 22, 1983.

However, grant making agencies of the ten Federal Regions remain in place assuring continuity of control over all Americans and their elected representatives by the central government.

Federal grants to state government are the fuel which make the Regional engines "go." The individual Union States are blackmailed, through the withholding of federal funds, if federal legislation is not enacted into State law, thereby opening the door to a power base for the silent revolution of FEDERAL REGIONALISM.

There is a clear pattern of uniformity in all laws passed. On the state level, all fifty legislatures appear to become simultaneously concerned about solving a particular problem in an identical fashion. On the local level, the same thing happens in thousands of City Halls and County Seats. This strange coincidence is never publicized by the press, thereby it is rarely questioned by the public. Unknown to most of the public, all our laws are written by the Uniform Commission on State Law, also known as the Advisory Commission on Intergovernmental Relations.

But.....what about the possibility of WORLD REGIONALISM?

On Sunday November 27,1938 The London Observer covered a speech by Lord Lothian, the wartime British Ambassador to the United States.

The speech was titled "Wings Over History, A New Civilization." In his speech he stated.... "the anarchy of multitudinous national sovereignties is about to dissolve."

The "NEW WORLD MORAL MAP" was printed in Philadelphia in 1942, by Maurice Gomberg, 3 years before the end of WWII, and just before the adoption of the United Nations Charter by the United States. It outlines new "world regions." Canada, the United States, and Mexico become the new "United States." The Southern hemisphere as we now know it is outlined and imprinted as the "United States of South America." As if there was no doubt as to who would be the victors in the war, a thick line is placed around Japan, Italy and Germany with the word "quarantined" printed on them.

The country now known as Israel is heavily outlined and titled "Hebrewland." It nestles securely on the continent labeled as "The Arabian Federated Republics." The individual African countries are joined as the "Union of African Republics." The entire face of the world as we know it is transformed. There's a legend printed on the bottom of the map. To wit:

#### OUR POLICY SHALL BE THIS:

1. We, the U.S.A., in cooperation with our allies, for reasons of our national safety and in the interests of international morality, are determined to crush and completely destroy the military power of the Axis aggressors, and their satellites regardless of cost, effort and time necessary to accomplish this task.
2. The old world order of colonial oppression, exploitation of dominions, rival imperialism and mercenary balance of power diplomacy; of majesties, dictators, privileged minorities, plutocratic monopolists and similar social parasites; the corrupted order responsible for the present world cataclysm, endangering our national safety and peaceful process, shall never rise again.
3. A New World Moral Order for permanent peace and freedom shall be established at the successful conclusion of the present war.
4. For reasons of history, economic structure, favorable geography and the welfare of mankind, the U.S.A. must, altruistically, assume the leadership of the newly established, democratic world order.
5. To reduce the burden and criminal waste of armaments expenditures everywhere in the world, the U.S.A., with the cooperation of Latin-America, the British Commonwealth of Nations, and the U.S.S.R. shall undertake to guarantee peace to the nations which will be permanently disarmed and demilitarized after the conclusion of the present war.
6. In order to be able, in the fulfillment of our obligations, to effectively prevent the possibility of a recurrence of another world cataclysm, the invincibility of the U.S.A. as a military, naval and air power, shall be the major prerequisite.

For considerations of hemispheric defense and in the spirit and tradition of the new Monroe Doctrine of hemispheric solidarity and the "Good Neighbor" policy, the U.S.A. with the consent of the Latin-American Republics, shall obtain control and protectorate rights of the relinquished territories.
9. To strengthen our position in the Caribbean area which is of obvious importance to hemispheric defense, all possible inducements shall be offered to our neighbors of Central America and the West Indies to facilitate their entrance as equal states of the U.S.A. as outlined on map.

14. The U.S.S.R., the third military Power of importance cooperating with the U.S.A. as a Power for freedom and the maintenance of world peace, shall acquire control of the liberated, disorganized adjacent areas and those of Germany-Austria to be re-educated and eventually incorporated as equal republics of the U.S.S.R., as approximately outlined on map.
15. A world League of Nationalities with arbitration and supervision powers shall be organized.

The U.S.A. with the close cooperation of the United States of South America, the British Commonwealth of Nations, the U.S.S.R. and the World League of Nationalities, shall promote and assist in the unification of the relinquished territories and the areas at present unsoundly divided into well organized democratic and absolutely demilitarized republics as approximately on the map.

republic of "Eire."

27. The area known as European Turkey, adjacent to the Dardanelles, sea of Marmora and Bosporus, for considerations of realistic peace strategy shall be placed under joint control of the U.S.S.R. and Turkey.

28. The area known as Turkey shall be a demilitarized independent republic of "Turkey."

29. All problems of exchange, transfer and repatriation of populations shall be administered by the World League of Nationalities.

36. To cleanse the populations of the defeated Axis aggressors of the intoxication of military chauvinism; to effectuate the removal and destruction of their potential military establishments; to recover the accumulated loot and to re-educate them for their eventual membership in the Family of Nations, the areas of Germany-Austria, Italy and Japan shall be hermetically and indefinitely quarantined and administered by appointed Governors subject to supervision by the world League of Nationalities.

37. All resources, industrial and labor capacity of quarantined areas shall be employed for the post war restoration and reconstruction needs.

38. To reduce the numerical power of the aggressor nations, as a potential military advantage, a Population Control Policy shall be elaborated and applied in the quarantined area.

39. In the New World Moral Order which we seek to establish, besides the essential political freedoms, the following fundamental economic changes are imperative:

(a) Nationalization of all natural resources and equitable distribution of same to all nations...everywhere in the world;

(b) Nationalization of international banking, foreign investments, railroads and power plants....everywhere in the world;

For this purposeful beginning we must fight until absolute victory.
